Dear Parent / Carer

I hope you and your family are well.

Following our first round of assessments recently with Y11, we are now in a position to offer extra study support sessions at lunch time to more students.

These sessions are a fantastic opportunity for students to improve their progress, knowledge and understanding in their GCSE subjects. We are asking for your support with this to make sure your child attends if invited to a session.

Your child is invited to attend the following session:

Student name:

Subject	Day / Time
Geography – GL1	Thursday lunch 1:30pm

Thank you for your continued support and encouragement for your child, together we can work to achieve the best possible outcomes for all students.

Kind regards,

Miss Hill

Interim Head of Geography.
