Enrichment Brochure
Tibshelf Community School

Advice Guide and Booking Procedure

We are delighted to showcase what wonderful experiences we can provide your child this academic year. There are a number of curriculum based enrichment opportunities that support the relevant subject area that your child might be studying, along with a structured Enrichment Week in July 2023.

Please spend time with your child looking through the booklet, identifying the trips that would be suitable for them, and making sure the trip is available to your child's year group or option group, as some are for specific year groups or option groups. We have worked hard to ensure there are a number of trips and residential covering a range of price brackets. We do not expect your child to go on every trip however **we do recommend looking at the deposit and payment schedule and determining any financial impact it will have for your family, before registering your interest on a trip.**

A web link to direct you to register your child's interest on any of the experiences available to your child is provided in the back of this booklet. **Please make sure that your child definitely wants to participate and you can ensure all payment structures are adhered to prior to registering your interest on any of the experiences.** We will not be running these on a first come first served basis, once we have received all of the names registered for each trip we will then undertake our selection process. Once this has been completed, on Friday 14th October 2022, we will confirm if your child has been given a place on the trip or if they have been put on the waiting list. Having received confirmation we will then open up ParentPay on Monday 17th October for you to settle deposits. The deadline for deposit payments will be Sunday 30th October 2022. **At this stage if you have not paid your deposit we will then offer your place out to students on the waiting list to cover the allocated places for each trip.**

Please read through the full terms and conditions before committing to any trip.

COVID Insurance Cover

Please note that COVID requirements are individual to each trip and are subject to change. We can only give details based on current terms and conditions and if you agree to these and register interest on any residential (especially overseas), whilst we will endeavour to keep up to date with these, ultimately it will be your responsibility to ensure you are meeting the requirements and understand any financial risks associated with the visit.

Enrichment week July 2023

Each year group will have a particular curriculum focus for the week, we have also made every effort to offer trips and residential at different price ranges to suit all. Year 7 and 8, alongside their curriculum focus, will have a residential available for them to register their interest for. This will be a great way of forging new relationships and working on their resilience by attempting some of the tasks and activities during each residential. Should you register your child's interest for any of the enrichment week residentials, please be aware that they would be away for the week so would be unable to attend the curriculum focused day trips such as Newstead Abbey or Yorkshire Wildlife Park.

Year 9 will all have a fun packed Extreme Sports activity day on site which will be run by Bolsover District Council, along with a day trip to Derbion Centre, where students will be able to apply their mathematical skills in a real-life setting. Year 10 will be undertaking their work experience Monday - Friday. The whole of KS3 will be involved in a sponsored event during Friday morning, more details to follow on this.

Holland Football Tour

Available to all Year 9, 10 and 11 students

The Holland Football Tour is an exciting tour which will run biannually. It will be an action packed football tour over 6 days consisting of two football fixtures against foreign opposition and two training sessions. Students will experience a different culture and enjoy a great learning experience. To ensure students get the most out of their tour, they will also take part in activities such as an excursion to a Dutch theme park. As Football is the main focus of the trip we couldn't leave Holland without having toured the Philips Stadion, home to PSV Eindhoven and watch a professional football fixture (subject to availability)! This is an opportunity to boost your footballing ability that shouldn't be missed! Transport, including the ferry crossing at Dover will ensure we spend as much time as possible soaking up the local culture. This tour is a popular choice, so don't miss your chance!! Activities include Football training and team fixtures, theme park visit, stadium tour, professional football fixture, awards pizza night, 10 pin bowling and much more!

Enrichment Week Overview

Students will have the opportunity to register their interest in a day trip or residential during this week. For students in Year 7 and Year 8 this will mean that should they be successful in their application for a place on one of the residentials they would be unable to attend one of the curriculum focus day trips on offer that week. Each student will either be on a residential, undertaking work experience, attending a day trip linked to the subject they've been assigned, or if they've chosen not go on a residential or day trip they will be in school and taking part in enrichment activities linked to a faculty area that you can see below. **Please ensure you have registered your child's interest in a residential or day trip and discussed with them the overview for that week should they not wish to go on either.** On the Friday there will be a whole school sponsored event which will last until lunchtime, further details will given in regards to the sponsored event and also the Year 10 work experience format closer to the time.

Work Experience

Available to all Year 10 Students

(Monday 17th July - Friday 21st July 2023)

All Year 10 students will complete a work experience placement from Monday to Friday. This is an excellent opportunity for students to learn about the world of work and to develop the essential skills required for the workplace. Work experience not only contributes to the preparation for adult and working life, but also helps to motivate students and sustain their efforts with their schoolwork. Students will be fully supported throughout the whole process to ensure they receive the best possible experience. Further details will follow from the Personal Development Team.

Enhanced Curriculum Enrichment

In addition to the trips and activities listed in this booklet there are many other enrichment opportunities to enhance the learning experience that Tibshelf Community School offers. There are a huge range of Lunchtime and After School Clubs available in various subject areas, and your child should speak with their teachers and form tutors to find out more detail about these.

We have a variety of special visitors who come into school throughout the year to speak with students about their area of expertise. This includes Mock Interview Days with Year 11 (involving local businesses), all branches of the British Armed Forces, performers & artists, authors & poets, motivational speakers from sportsmen and women to entrepreneurs.

Essential Items

For your information during the course of the academic year there are other possible charges that may come up, including equipment for various subjects that can be purchased directly from school. Many of these are available from ParentPay shop (see school website for details).

Conduct Agreement

Tibshelf Community School prides itself on the exemplary conduct of its students. The school also expects students to attain an excellent level of attendance in line with the school Attendance Policy. Enrichment trips/activities are arranged in total confidence that this conduct will continue.

Taking students away on trips places extra responsibility on the staff concerned and they must be assured that the students will not present either a risk to themselves or to other students.

Please read and discuss with your child the importance of taking ownership of the responsibility in this document.

Student conduct is monitored in lessons, in their general behaviour around school and as part of the attendance monitoring system. This will be a vital factor in determining whether they are allowed to attend their trip/activity.

- We understand that behaviour and attendance will be monitored and will play a vital part in the decision as to whether a student can attend a chosen trip.
- We understand that the school has the final decision as to whether a student is able to attend a trip.
- We understand that any penalties imposed due to a cancellation or removal from a trip are liable for payment by the parent/carer.
- We understand that the cost for any property damaged while on a trip/activity due to carelessness, misconduct or deliberate intent will be the responsibility of the parent/carer.
- We understand that any behaviour not to a reasonable standard whilst on the trip, will result in arrangements being made for your child returning before the rest of the group. Parents/Carers will be responsible for collecting your child or any expenses incurred as a result of this.
- We understand that students are expected to have a great time whilst supporting and encouraging fellow students in a safe and responsible manner.
- We understand that all students are expected to uphold the excellent reputation of Tibshelf Community School.

By making the initial payment for a trip/activity you and your child are automatically agreeing to abide by the terms and conditions of this Conduct Agreement

Terms and Conditions

PLEASE READ THESE CAREFULLY

Behaviour

You will have read and agreed to the Conduct Agreement when making your non-refundable deposit payment on ParentPay. By making the initial payment for any trip/activity, you and your child are automatically agreeing to abide by the terms and conditions of this agreement.

The school reserves the right to exclude from any trip/activity a student whose behaviour has given cause for concern at any stage during the year. Students removed from a trip/activity for behaviour or attendance issues will not be entitled to a refund.

If a student does not behave to a reasonable standard whilst on the trip, arrangements will be made him/her to return before the rest of the group. The parent/carer will be responsible for collecting their child or any expenses incurred as a result of this. The cost for any property damaged due to carelessness or misconduct of a student will be the responsibility of the parent/carer.

The school reserves the right to remove a student from any trip due to non-payment of deposits or instalments. You will **not** be entitled to a refund. If you wish to remove your child from a trip you must notify the school in writing. You will **not** be entitled to a refund. If you are having problems paying the instalment please notify the school in writing at the earliest opportunity.

Selection Process

Students will be randomly generated for each trip rather than on a first come first served basis. The remaining students will be placed onto a waiting list. Should someone drop out or fail to pay the deposit required, the same process for students on the waiting list will be repeated to take up that space.

Insurance

All trips are fully insured by the school's travel insurance. If your child is unable to take up their place due to a medical condition, we require confirmation from a Doctor. Please contact the Finance Department at school before you obtain this information. Items such as mobile phones are taken at the owner's risk.

COVID Insurance Cover

Please note that COVID requirements are individual to each trip and are subject to change. We can only give details based on current terms and conditions and if you agree to these and register interest on any residential (especially overseas), whilst we will endeavour to keep up to date with these, ultimately it will be your responsibility to ensure you are meeting the requirements and understand any financial risks associated with the visit.

Cancellation and Refund Policy—ALL PAYMENTS ARE NON REFUNDABLE

Cancellation must be received by the school in writing. *Please note that refunds are only given where a legitimate claim can be made against our School Travel Insurance. All claims are subject to the terms of our cover.*

PLEASE NOTE: All prices shown are approximate and based on filling the number of student places on offer. The final amount will be detailed in the letter confirming your child's place on a trip.

All Trips/Activities may be subject to change

Key Dates

- **Monday 12th September - Sunday 2nd October** — Please use the link for your child's year group to complete the online form and register their interest on any trip/activity. No payment required at this stage.
- **Friday 14th October**—Confirmation of a trip place will be sent out to Parents/Carers.
- **Monday 17th October** — ParentPay will become live to pay the initial deposit or full payment.
- **Sunday 30th October** — Deadline for all trip deposits to be paid. At this stage if the deposit is not paid the place will be given to someone on the waiting list.

YOUR CHILD'S PLACE ON ANY TRIP IS NOT SECURE UNTIL THE NON-REFUNDABLE DEPOSIT HAS BEEN PAID.

We truly believe that Enrichment Activities play a pivotal role for EVERY STUDENT at Tibshelf Community School and we aspire to offer a wide range of opportunities.

Whilst we endeavour to run all activities outlined in this brochure, all are subject to having sufficient numbers.

Any donations towards the Tibshelf Enrichment Fund, would be greatly appreciated and with it, we will be able to continually develop and enhance our programme of activities available. To do so, please login to your ParentPay account where you should see this as an available payment item.

If you have any queries relating to the trips/activities in this brochure please contact the trip leaders in the first instance, who can be found at the bottom of each page. For all other enquiries please contact us via email: info@tibshelf.derbyshire.sch.uk

PLEASE ENSURE YOU HAVE ACTIVATED YOUR CHILD'S PARENTPAY ACCOUNT TO ENABLE DEPOSIT PAYMENTS TO BE MADE

Register your Interest

Please use the following links to register interest for your child to have a place on any trip/activity.

You can register interest on more than one trip/activity but note that if you are successful in gaining a place on an Enrichment Week residential you won't be able to attend any of the day trips running the same week.
