

ENRICHMENT WEEK OPPORTUNITIES 23/24

Enrichment Week Overview

Students will have the opportunity to take part in a day trip or residential during this week. For students in Year 7 and Year 8 this will mean that should they successfully gain a place on one of the residentials they would be unable to attend one of the curriculum focus day trips on offer that week. Each student will either be on a residential, undertaking work experience, attending a day trip linked to the subject they've been assigned, or if they've chosen not go on a residential or day trip they will be in school and taking part in enrichment activities linked to a faculty area. Please ensure you have made initial payment for your child's place on a residential or day trip and discussed with them the overview for that week should they not wish to go on either. On the Friday there will be a whole school sponsored event which will last until lunchtime, further details will be given in regards to the sponsored event and also the Year 10 work experience format closer to the time.

Work Experience

All Year 10 students will complete a work experience placement from Monday to Friday. This is an excellent opportunity for students to learn about the world of work and to develop the essential skills required for the workplace. Work experience not only contributes to the preparation for adulthood and working life, but also helps to motivate students and sustain their efforts with their schoolwork. Students will be fully supported throughout the whole process to ensure they receive the best possible experience. Further details will follow from the Personal Development Team.

Enhanced Curriculum Enrichment

In addition to the trips and activities listed in this booklet there are many other enrichment opportunities to enhance the learning experience that Tibshelf Community School offers. There are a huge range of Lunchtime and After School Clubs available in various subject areas, and your child should speak with their teachers and form tutors to find out more detail about these.

We have a variety of special visitors who come into school throughout the year to speak with students about their area of expertise. This includes Mock Interview Days with Year 11 (involving local businesses), all branches of the British Armed Forces, performers & artists, authors & poets, motivational speakers from sportsmen and women to entrepreneurs.

- We understand that the cost for any property damaged while on a trip/activity due to carelessness, misconduct or deliberate intent will be the responsibility of the parent/carer.
- We understand that any behaviour not to a reasonable standard whilst on the trip, will result in arrangements being made for your child returning before the rest of the group. Parents/Carers will be responsible for collecting your child or any expenses incurred as a result of this.
- We understand that students are expected to have a great time whilst supporting and encouraging fellow students in a safe and responsible manner.
- We understand that all students are expected to uphold the excellent reputation of Tibshelf Community School.
