## **RE: Y11 Parent Communication - Evenings**

Dear Parent/Carer,

I hope this finds you well. I would like to draw your attention to some key dates and events as your child enters their final year at Tibshelf.

### **Thursday 14<sup>th</sup> September 6pm – 7pm**

#### **Y11 Curriculum Evening**

We will provide you with all the information you need about course content, exams, and revision materials. We will also introduce the Y11 Study Support programme, a few tips for successful independent study, and details of the support available for mental health and wellbeing throughout the year. This event will begin at 6pm; please be at school 10 minutes before the scheduled start time.

### **Tuesday 21<sup>st</sup> November 4pm – 6.30pm**

#### **Y11 Parents Evening**

This will be the usual opportunity for you to meet your child's teachers and discuss their progress and next steps following their first formal assessments of Y11. You will receive an email with a link to book appointments through our Arbor Information System.

### **Tuesday 5<sup>th</sup> December 6pm – 7.30pm**

#### **Y11 Preparation for Success Evening**

This will be an opportunity for you to hear presentations from subjects (English, Maths, Science, History, Geography and Modern Foreign Languages) on how best to support your child with home learning, study and revision. This evening will be different to the one in September as it will be much more specific and give details on how best to prepare for the Pre-Public Exams (formally mocks) in January. This event will begin at 6pm; please be at school 10 minutes before the scheduled start time.

**Thursday 29<sup>th</sup> February and Wednesday 24<sup>th</sup> April 5pm – 7pm**

On these two dates, we will be hosting an invitation only event. This will be aimed at students who are underperforming in Maths and/or English. If you and your child need to attend, you will receive an invite closer to the time.

Finally, we spend a lot of time (and rightly so) focussing on the needs of our young people and how best to support them. For those of us that have had children go through the education system, we know just how stressful it can be for parents and that sometimes we don't know how best to support; these evenings are designed for just that reason – to help you.

If you have any questions regarding any of this, please do not hesitate to contact me.

Kind regards,

Mr M Sykes

Deputy Headteacher
