

24<sup>th</sup> October 2025

Dear Parents, Carers and Students,

As we reach the end of this first half term, I want to take a moment to reflect on the fantastic start we've had to the academic year. The energy, commitment and community spirit across the school have been truly inspiring.

Our Year 7 cohort, the Class of 2030, have made an exceptional start to their secondary journey. They've shown themselves to be eager to learn, consistently polite and respectful, and full of enthusiasm. Their high energy has brought a wonderful vibrancy to our school community, and we are incredibly proud of how well they've settled in.

Across the school, attendance has been good, with the vast majority of students showing real dedication to their learning. This commitment is a testament to the strong partnership between home and school, and we thank you for your continued support. We look forward to the launch of our attendance raffle next term, which I know that many of you are excited about.

We are especially proud of our Year 11 students, who have begun their final year with focus and determination. Their hard work is evident in lessons, and many have been attending study support sessions to give themselves the best possible chance of success. Their maturity and drive are setting a brilliant example for younger students.

I would like to highlight the vital role our school governors play in shaping the direction and success of our school. Governors provide strategic leadership, support and challenge, helping to ensure the best possible outcomes for all our students. We are delighted to welcome Sam Moses as our newly elected Parent Governor. Sam brings valuable insight and a strong commitment to our school community, and we look forward to working with him in the years ahead.

As always, our school community continues to thrive because of the shared values we hold—respect, resilience, and a belief in each other. Thank you for being part of this journey with us.

Wishing you all a restful and enjoyable break.
