

10th September 2025

Dear Parents and Carers,

Welcome back! We hope you had a fantastic summer break. It has been wonderful to welcome all our students back to school, and a special welcome goes out to our new Year 7 students – the Class of 2030. They have had an incredible start to their new school journey, and we are impressed with their positivity and enthusiasm so far.

Over the summer we were delighted to share the GCSE and vocational results with our outgoing year 11 students. The class of 2025 at Tibshelf Community School has continued our tradition of excellence, and I am incredibly proud of the hard work, determination, and resilience they have shown throughout their journey.

This year's results—across both GCSE and vocational qualifications—reflect the relentless effort and commitment of our students, supported every step of the way by our dedicated staff and their families. These young people have applied themselves with positivity and a strong work ethic, and they truly deserve their success.

At Tibshelf, we have ensured that every student has a clear post-16 pathway, and we are delighted that all of them are now well-positioned to move on to sixth form, college, apprenticeships, or other exciting opportunities. Today marks the beginning of a new chapter for them, and we couldn't be prouder.

The overall outcomes for the school are exceptional and thoroughly well-earned. I would like to congratulate all our Year 11 students and thank them for their commitment. My sincere thanks also go to the staff at Tibshelf, whose dedication, care, and tireless support have been vital in helping our students achieve these fantastic results.

Summer School Success

We were delighted with the success of our Summer School programme. A big thank you to all the staff who worked hard over the summer to prepare the site, support results days, and ensure everything was in place for a smooth start to the new academic year.

Upcoming Events

We look forward to meeting the parents and carers of our new Year 7 students at the **“Welcome to Secondary School”** evening – a great opportunity to find out what to expect, how best to support your child, and to ask any questions you may have. This takes place on Thursday 11th September at 6 p.m.

Following this, we will be holding our **“Introduction to GCSE”** event on **Thursday 18th September**, aimed at Year 10 parents and carers. This session will provide key information about the GCSE journey and how to support your child through this important stage. The session will start at 6 p.m. and further details will be sent to parents in the coming week.

Attendance, Punctuality & Uniform

A reminder that attendance and punctuality remain a high priority. Please ensure your child arrives at school on time each day and is properly equipped for learning. We also ask for your continued support in maintaining our high standards of school uniform.

Skirts

We have seen an increase in skirts that do not meet our uniform expectations. Please ensure that if a skirt is worn, it is knee length and remains worn correctly throughout the day. We have asked that any students who do not meet this expectation make arrangements to rectify this by the beginning of next week.

Thank you for your ongoing support. We're looking forward to another successful year ahead!

Yours faithfully,

Mrs Wainwright
