Re: Industrial Cadets Bronze Award Celebration Event

Dear Parent / Carer,

I am pleased to confirm that the celebration event to mark the completion of the Industrial Cadets Bronze Award will take place on **Tuesday 20th June at Loughborough University**, starting at **9.45am** and finishing at **2.15pm**.

Students will need to find their own way to and from the venue and will meet Mrs Kurcewicz, their Head of Year, at the location as the representing member of staff. Parents/Carers are welcome to stay for the event. The day will include the following:

- Each team will have a table and display board to showcase their project
- Winners of the various awards for each programme will be announced
- Formula 1 in Schools will be running a challenge throughout the event
- JCB will be running "The JCB Challenge"
- There will be a tour of the university campus
- Information on different STEM career pathways

Please email Mrs McCrea stating your child's consent, and a brief detail of how they will be getting to and from the event. Please also state if you intend to stay for the duration of the event as Parents/Carers.

If you require any further information relating to this event or anything else about the award, please don't hesitate to contact me.

Yours sincerely

Mrs McCrea
