

# ***Growing Up Online 2014***

*Parent and Carers Information*

This session is not intended to shock or upset anyone, however we have a responsibility to make you aware of the types of issues we deal with on a daily basis and highlight the importance of the positive impact parental monitoring can have.

It is not intended to criticise the use of the internet or put anyone off allowing their child to use the internet, but it is our intention to highlight how children are using the internet and the risks associated with improper use.

# Growing up online....

Can you name the sites your children uses for:

A 2x3 grid of rounded rectangular boxes, each containing a text label and a small icon. The boxes are decorated with stars. The top row contains 'Socialising' (with a rocket icon), 'Gaming' (with a star icon), and 'Talking to people' (with a speech bubble icon). The bottom row contains 'Sharing' (with a moon icon), 'Searching' (with a magnifying glass icon), and 'Using a mobile phone' (with a mobile phone icon).

Socialising 	Gaming 	Talking to people 
Sharing 	Searching 	Using a mobile phone 

# Websites and Technologies...

➤ **Social networking**  
Facebook/ Youtube / Twitter /Instagram
