Re: School of Artisan Food trip

Dear Parents/Guardians,

We are excited to announce a fantastic opportunity for our students to embark on a school trip to the School of Artisan food as part of their Best Food Forward initiative which is located on the Welbeck Estate in Worksop. Your child has been chosen for their outstanding attitude towards their cooking lessons and clear passion for the subject. This trip promises to be an excellent experience the students will thoroughly enjoy!

Please ensure to complete trip consent and photo consent forms and return asap. These will be printed and given to students to bring home.

What is the Best Food Forward Project?

At Best Food Forward, we have a great passion for food! That's why we take a holistic approach to understanding the food system - where it comes from, how it's produced, and how it affects our health and environment. Our goal is to share our passion with students and help them appreciate the importance of good food. Our team works closely with teachers, kitchen staff, and students to create a fun and engaging learning experience. We believe that food connects us all, and we're committed to supporting schools in developing a healthy and sustainable food culture. We invite you to join us on this delicious journey!

Student Meeting:

I will be doing a brief meeting for students to ensure they know the overview of the trip and are aware of the timings of the day. This is compulsory to attend. I will email them and their form tutor but please remind them to attend. Information about the exact date and time will be passed onto you closer to the time.

Transportation:

We have arranged for our school minibus to transport the students to and from the venue. The coach will depart from the school promptly at 08:45. We kindly request that all participating students arrive at school on time at 8:15 to be registered and ensure a timely departure. Upon conclusion of the trip, we anticipate returning to the school at approximately 2:55. Should there be any unforeseen delays, we will communicate with you promptly. Due to timings students will be able to get on the normal school busses at the usual timings at the end of the school day.

Supervision and Safety:

The trip will be supervised by a team of experienced teachers and staff members who will ensure the safety and well-being of our students throughout the event. Please rest assured that their safety is our utmost priority. Students will be under direct supervision throughout.

If your child has an inhaler, please ensure they bring it on the trip day or it may result in them not being able to attend the trip if it is listed on their medical information.

Dress Code:

Students do need to wear their usual school uniform on the trip. Please consider a raincoat for the few times we are moving between the minibus and the venue.

Packed Lunch:

Students will, as part of the experience, be cooking their own lunch during the day. This is all included and there is no charge. If your child is unlikely to eat any food provided, they are welcome to bring snacks. However, as part of the experience, students are greatly encouraged to try new food and do their best to embrace the foods they are cooking.

Behaviour Code of Conduct:

We do not doubt that students will be exceptionally behaved throughout the trip, however, we must remind students that they must still represent Tibshelf Community School with the highest of standards. Whilst on the trip students must be respectful to the staff members leading the session. Failure to behave appropriately will result in not being able to attend the other sessions.

Should you have any questions or concerns regarding this trip, please do not hesitate to contact Mr Harris.

Yours sincerely,

Mr D Harris
