Clothing / Footwear

Please ensure students are dressed appropriately for the weather and visiting the public theatre. We will be conducting a sight-seeing walk for approximately one hour when we arrive in London (so please ensure appropriate footwear for this) followed by lunch in Leicester Square where students will be remotely supervised.

Food Arrangements

Staff will be positioned in a specific place which students will be informed of before being given time (within Leicester Square only) to purchase/eat their lunch.

Students receiving free school meals will be provided with a packed lunch. However, if you do not wish for this to be provided, please let us know by emailing info@tibshelf.derbyshire.sch.uk before Monday 21st September. This is so we can ensure the catering team have the correct numbers for catering and thereby reduce food wastage.

There will be opportunities to buy food at the services as well as in London, so please ensure they have access to money if you wish for them to do so or send them with sufficient food and drinks for the day as an alternative.

Expectations

Students will be regularly reminded of the expectations around behaviour whilst we are travelling and when we are in public places. At Tibshelf, we are very proud of the high standards our students demonstrate on school trips, meaning everyone can have a fantastic experience.

Please ensure students arrive promptly at 7 am so we can depart on time.
