Year 9 Chesterfield College Trip Tuesday 21st July 2026

Dear Parents / Carers,

As part of our Careers Curriculum, all Year 9 students will attend one of two visits to a post-16 or further education provider. Students will be allocated to one of these visits, with the first taking place in June and the second in July.

As part of the Personal Development Day on **Tuesday 21st July**, your child will be visiting **Chesterfield College**. The aim of the visit is to provide students with an insight into college life, helping them to make informed choices about their future.

During the visit, students will take part in a range of activities delivered by college staff, graduates, and student ambassadors. They will also be given a tour of the campus and have opportunities to ask questions about all aspects of higher education.

The visit forms part of the normal school day and therefore **there is no cost**. Students should arrive at school at the usual time of **8:25am** to be registered by their tutor. Transport will be provided to and from the university, and the coach will return to school before **3:00pm**.

Students can wear non uniform but must dress appropriately as they will be representing our school (no piercings, revealing clothing, crop tops, sliders/crocs, shorts of inappropriate length, offensive or inappropriate writing or images on their clothes or their belongings). Students also must bring a **packed lunch.** Any student eligible for free school meals will be provided with a packed lunch.

Please acknowledge receipt of this letter by completing the **parental acknowledgment form on Arbor**.
