

Work Experience Confirmation Process

The Safety Measures Health & Safety checks can take around 1-2 months so please bear this in mind.

The agreement forms will be sent via email, it is your responsibility to return these on time and chase the employer for this too.

If Safety Measures are unable to confirm the Health & Safety of the placement is suitable it may be declined. This will mean you need to source another placement elsewhere.

DEADLINE FOR THE WHOLE PROCESS TO BE COMPLETE IS FRIDAY 4TH APRIL 2025.
