

## Candidate permission form for results to be collected by a representative

### Results day

**GCSE/Vocational** - Thursday 25 August 2023 10am – 11am

Dear student

You will be able to collect your results in person by attending school between the hours of 10am and 11am on Thursday the 24<sup>th</sup> of August.

If you are not able to do this, you may wish to nominate another person to collect them on your behalf. For this to happen, you need to give us your written permission to pass your results to this person.

Please enter your name, and the name of your nominated person who will collect your results, into the boxes below. Please sign the form with **your own signature**. Only you can give the required permission.

It is important that the person collecting your results brings photographic ID with them when they collect your results. This could be, for example, a driver's licence or passport. Please ensure the person collecting knows to do this.

**Results will also be emailed to you after 11pm on the collection day.** The email will be sent to your school email address, which you will still be able to access.

If you wish to collect your paper copy of results in person when the school is open for the new academic year, you can do so from reception, on, or after the 5<sup>th</sup> of September.
